“ Shannon became extended family. In the raising of our shared grandchildren. We became friends & will always remember how she`d make me laugh during our long phone calls. We leaned on each other in raising the grandchildren. She had a big heart. Your pain is gone & you`ve gained angel wings. Fly high my friend

“ Shannon was always such a sweet person. I first met her in 9th grade at JHS, she was always so friendly to me. Later in life her son, Joe became friends with my kids and he has that same wonderful kind, friendly personality. Sending prayers for the family that is left behind. Shannon will never be forgotten and always missed.

“ Oh the memories I have... Shann you were such a blessing to me. You inspired me to push forward no matter what. Your sense of humor was what bonded us for life. Always knew what to say and even in the darkness you always made it brighter. I will forever miss you and know you'll be my angel watching over me... And to the family that is left behind I love all of you and send my prayers and love for the days to come 😞
