“ She will be missed, was always willing to help us out in activities. She was an Activity Assistant and would help with Bingo and social occasions. Loved that smile and she will be missed. Every time we got a new lighthouse puzzle we would make sure, she got the completed puzzle for her room. She would talk of her husband and son often. She was lucky enough to have a great sister Becky, who was here often to see her and take her out. Fly high Sharon!
