“ Fred and Family, Our hearts are heavy as we know your hearts are also. As we are now leaving for our home in Florida our thoughts of our memories we have of the past 20 years we spent in Florida with Carl, Selma and Sharon at the Yates home in Largo, Florida. These years we stayed with them in Florida led us to buy our own home in Bradenton Florida. Sharon would always have a list of things I was to do around the Yates Florida home. She would call me every day with check off list of thing she gave me to do. Fred and Sharon have always benn considered as our adopted family and we love the Yates family as our own family. Our prayers will continue for Fred and Sharon's family. We are prayers are that God will be with Fred and the family as you walk through this dark valley. Pastor Mike and Karen
