“ *Sherry had a special place in our family. She took care of our oldest son several days of the week for well over a year. Johnnie gave her a run for her money. One time even locking her out at her house in Wilkesville. Sherry was a hard worker and yet always with a smile when I would run into her. May she rest in peace. Sincerely Sue Jackson*

I knew Sherry for over 40 years. She was always kind and such a sweet lady. She was a very hardworking woman, a great cook, a wonderful mother and grandmother. I think she raised her granddaughter at the farmers market. I definitely miss all the time spent there just talking to her. My deepest condolences to her family. RIP Sherry, your work is done!
