“ Terry was my best friend in high school. I used to go to his house on western avenue after school and we would play basketball. He had a great court there. I would take the bus home when we were done. The last time I saw him was at the Cozy Inn. He was in Marine Dress Uniform and talking about going "back" to Viet Nam. Sweet memories of youth

“ Mr. Terry helped me out as a neighbor. He saw that my short self was accident bound on my Cub Cadet because I was too short to safely reach the pedals. He welded 5 inches of steel so I could mow my lawn safely. He also helped me lay pipe and get dump truck load of dirt to fill in my ditch. He was a kind and helpful neighbor who thought of others. To his family and friends~ I am so sorry for your and our loss. What a wonderful world it would be to have more folks aspire to be the kind of neighbor that Mr. Terry Hill was. With deepest sympathy

“ *Bea, i was so saddened to hear of Terry. You two were a great couple. Terry was a tremendous help in every area he worked.....always creative and improving our abilities to care for our Veterans. On that cold, snowy, icy day that I retired, I cleared through Engineering to return issued hospital keys. His comment with a smile and laugh was....I never thought you'd get out of here until hell freezes over. He had a most delightful personality. May God comfort you and family. Ruth Yerardi*
