“ *To Andy, Jessica and family. Wanda has been a dear friend to me. We became friends thru Facebook and a canning group. I loved her and always looked forward to her posts. She will be missed. Rest in the Peace of Christ, dear friend.*

I am Kathryn McAdams sister. I came to know Wanda through their FB contacts and eventually to become 'friends' with Wanda myself. I loved her sense of humor and the empathy in our medical problems. My heart breaks knowing I will never see another post from her. But she is with God now and someday I hope to meet her face to face in heaven. My sympathy and prayer goes to the peace of her sweet soul and to her family. May God be with them all

“ *I have many great memories of time spent with my mom.... in my younger years, I loved visiting the horse farm and being around her and all the horses, times spent at grandma's house recording songs on cassette tapes, and singing hymes in the car together. Amazing Grace being among one of our favorites. As I grew older, I enjoyed meeting her and Andy at the outlets for a day of shopping, or going to their house for a quick visit, or a cookout, swimming, or camping in the backyard.*

One of my fondest memories was when I went to their house, and she, Andy, and I made homemade ravioli with thwir new pasta maker. It was delicious!! My mom had a passion for cooking and was an excellent cook. We spent the whole time gabbing, and poking fun at one another, as we often did during our visits.

I'm going to miss these times together, miss hearing her voice, miss her smile, and her laugh. I love you mom

“ I have many fun memories with mom. Mom is the one that got me into crafting which is something I have not done in a very long time and maybe need to start doing it again. Mom and I always had fun baking cakes and cookies together. They're just way too many memories to account for. We always had fun going to hers and Andy's with the kids and swimming in her pool and camping in her backyard. She is going to be greatly missed but I know she is at peace and not in any more pain.

“ One of my favorite childhood memories of Mom was the time I hid beside the refrigerator, lying in wait for her to pass by. When she did I jumped out and scared the you know what out of her. I was 8 years old and it was the first and last time I did that.
