“ David, George, Sean and gidget, my thoughts and prayers are with you all and your families. My memories of your mom are precious to me we had lots of fun and laughs, I think of her often and what a good good friend she was. She was there no matter what. I remember her as a wonderful wife and mother you kids and your dad were her life and she enjoyed every minute of it. I have missed her over the years and now you can be sure there is quite a celebration in heaven right now since Jim and Wanda are together again. My love to you all.
