“ Big Bill we are all going to miss you more then you will ever know. I can still see you and Rick walking across the yard at Roadway. Me asking God to keep you both safe. We are heart broken that you are no longer with us all in body. But your spirit will never fade. Put your arms around Sue and the rest of your family and friends so we all know you're still watching out for us. You sir were one of a kind. You all always be loved and missed.
