“ Dobie had such a warmness and kindness about him, that upon meeting him, it made me want to try attending a church regularly for the first time when I was around 30 years old. I eventually came to accept Jesus, thanks to Dobie.

There are so many lives he touched and changed, just like he did mine. More than just a pastor, Dobie was a friend and like a member of the family.

“ *From being a young kid in the youth group with the cool football player meeting in the little room to the right of the baptistry on Chestnut St. Emmanuel to being a young mom visiting Emmanuel on Breaden Ave and seeing the young pastor, I have been in awe of Dobie Wyant for many years. (I may have witnessed Lisa and Dobie's first meeting in that little youth group room.) The Lord had a mighty servant that truly was a leader. We shared some wonderful growing up memories. We did some pretty funny plays in the church on Chestnut St., had some great green-bean fights with Catalpa trees, and sang memorable songs in the youth choir. He made an RA jacket look great! It was a joy to see him love his flock and teach them to love God like he did.*

*My thoughts and prayers are with Lisa, Laura, and all the rest of the family. I am so very thankful to have known such a fine, Godly man as Dobie. I am rejoicing that he is with Jesus and laughing and smiling again. Love to you all.*

“ Dobie was much more than my Pastor, he was one of my best friends. I could count on him to be there when I needed him as a Pastor and could joke and tease him as a good friend. I am so sorry we had to lose Dobe, but for his sake, he is in a much better place. He is with his Lord and not suffering any more. My condolences to Lisa, Laura and the family. We loved and respected him.

“ Prayers for the family. Whenever I visited my aunt and uncle and came to church, Dobie remembered who I was and would always talk to me. He was such a kind and humble man. He has now made it to His eternal home and reward. God bless the family during this difficult time.

“ *My prayers are with Dobie's family and friends. The last time I saw Dobie was at our Uncle Eddie's funeral. He did the service that day, and he did a lovely job. He is with Jesus now.*
